## **New Zealand Cricket and Cricket Wellington Junior Philosophy**

Cricket Wellington's Junior Cricket accommodates Different Ages and Different Stages with the objective of providing accelerated skill development, making cricket action packed and fast paced with maximum involvement for the kids.

This means shorter pitch lengths, few player numbers, shortened boundaries and appropriately sized bats and balls.

More action, more running, more balls in play, less wides and MORE FUN.

This publication replaces all other formal or informal rules that have previously been in place for Junior Cricket in Wellington for the 2020/21 season.

New Zealand Cricket has mandated these set of rules, though most have been in place in Wellington for several years. For further information from New Zealand Cricket regarding Ages and Stages then please follow useful link.

A guide for any FAQ's coaches and parents may have regarding the set up for all age group Cricket along with what NZC want to achieve nationally. Cricket Wellington highly recommends reading this alongside our Junior Handbook as it is a useful insight for any player involved in Junior Cricket.

## **Cricket Wellington Junior Cancellation Policy**

On Friday afternoons we receive information from the various Councils within our region as to which grounds are closed. We then make changes to the draws to accommodate any ground closures. We make every effort to have this done by 6pm.

Ground condition is the single-greatest reason why we must make last-minute changes.

Early each Saturday morning, our kind volunteers look out their windows and pop in their cars to decide on whether cricket should be played in their geographic area. Due to Wellington's large geographic area and differing climates, we have a contact in each area who help us make these decisions.

After information is received, a decision on each area is then made. It may be that cricket is cancelled in all areas, or only in one or two.

At this point, as close to 7am as is possible given the wealth of information coming in, we post any changes to draws or divisions on Facebook. Even if you are not a member of these sites, you can still view our posts and we would recommend every player and parent bookmark the following link...

[www.facebook.com/CricketWellingtonInc](http://www.facebook.com/CricketWellingtonInc).

If there is no update on Facebook by 7.30am, there are no changes and you should prepare for, and head to, your game as usual.

We will continue to do our best to ensure you have as much information as possible before you leave for your game each week. With Wellington's weather and the sheer number of games that are played every week It is unavoidable that your season will feature some cancellations.

Finally, for junior games, if you turn up to a game and the field is unsuitable for play (i.e. it's under water) or the weather has turned dramatically, please discuss with the opposition and make a decision as to whether to play.

## Coaching Information

All coaches and managers must be registered via NZC’s online coaching database, Friendly Manager. Coaches and managers must also undergo police vetting and completed the Vulnerable Persons Module - the safety and wellbeing of our junior participants is Cricket Wellington’s number one priority.

### Cricket Wellington Player and Parent Expectations

Cricket Wellington expects all Players, Captains, Coaches, Managers, Parents and Supporters to uphold the following values:

#### PLAYER

#### PARENTS AND COACHES

Play by the rules and respect all decisions made by the umpires

Be a positive role model—players learn from the examples they see

Be a good sport—be humble in winning and gracious in losing

Focus on development, not the result, avoid pressuring your team about winning or losing

Co-operate with your team, coach, opponents, parents, and officials

Respect the decision of the coach and officials

Do your best to listen and learn from your coach

Encourage everyone to give all facets of the game a go — celebrate their success no matter how small

Thank your opposition, teammates, coach, and officials after every game

Poor side-line behaviour or abuse will not be tolerated under any circumstance

Make sure you play to the best of your ability and remember winning is not everything

Remember your child participates for their enjoyment, not yours

More information on player and parent expectations can be found by clicking on the following links to Active NZ and Balance Is Better

### **Child Protection/Vulnerable Peoples Act**

Safeguarding in cricket is based upon the concept of providing an enjoyable cricket environment tailored to the needs and requirements of Children and Vulnerable Adults. Adults interacting with Children and Vulnerable Adults in sport are in a position of trust and influence. They should ensure that everyone is treated with integrity and respect and that the self-esteem of the person is enhanced. Everyone involved in delivering cricket, especially to Children and Vulnerable Adults, has a role to play in creating the best possible environment for them. Coaches and anyone working with people under the age of 18 must be police vetted.

#### **Access the NZC [Welfare of Children Policy](#):**

Cricket Wellington believes that every person in cricket, in every role and no matter what age, has the right to participate in an environment that is fun, safe and healthy, and to be treated with respect, dignity and fairness.

Bullying denies participants these rights and can result in feelings of disgrace, embarrassment, shame, or intimidation. Bullying can also affect an individual's athletic performance, level of enjoyment, work or school life, academic achievement, and physical and mental health.

Bullying can occur both on and off the cricket pitch and can involve players, parents, coaches, spectators, or umpires.

Cricket Wellington does not accept bullying within the sport and sees it as everyone's responsibility to implement and support anti-bullying within cricket NZC has developed the following Codes of Conduct for parents/caregivers, players and coaches to help make cricket a safe and healthy environment which Cricket Wellington supports.

## Community Resources

Cricket Wellington aspires to create outstanding cricket experiences for the people of Wellington. The Community Delivery Network Programme has been developed to achieve this vision. The CDN Programme is a vibrant, integrated and participant-focused initiative that is aligned with our aim to encourage more people to play and love cricket and to get more players representing our national teams.

The CDN provides strategic support to all our affiliated clubs through our Cricket Wellington community managers who deliver exceptional participation programmes around the Wellington region. It also leads the four main community sections - Women and Girls, Umpires and Officials, Participation, and Capability.

## Batting Pods

Junior cricket teams must use batting pods for all Saturday Year 7-Year 8 Cricket. The purpose of batting pods is to ensure that over the course of the season all players are given equal opportunities to bat.

Using pods also place emphasis on developing well rounded cricketers, as it exposes players to more game scenarios throughout a season.

Batting pods work as follows.

- Each team is to select two pods. Pod A will have 5 players, Pod B will have 4 players.
- On week 1 Pod A will occupy positions 1-5 in the batting order. Pod B will occupy positions 6-9.
- On week 2, Pod B will occupy positions 1-4 and Pod A will occupy 5-9
- The Pods keep alternating these positions throughout the season it is recommended that each pod is selected evenly, making sure you have competent batters spread across both pods.

## No-Ball Rule

A no ball is defined as *“a ball that without having touched the person or bat of the striker, bounces more than once, or rolls along the ground, before reaching the popping crease”* or *“Any full-toss which passes above the batter’s waist, shall be called a no-ball”*

While the two-bounce no-ball rule is not applied in Year 2 - Year 4 Softball a batter cannot be dismissed bowled should the ball bounce more than twice.

Should a delivery not reach the batter, he/she will be allowed to have one free hit at the ball

Batters cannot be dismissed on a front foot no-ball (other than runout) even if a bowler has not received the initial warning.

***If bowlers are clearly having trouble reaching the other end of the pitch on the first bounce the bowler may be permitted bowl from slightly closer to the batter. This rule is NOT to be used to enable good bowlers to gain an advantage and should be used at the discretion of the umpire.***

## **Bowling Loads – Junior Cricket Specifications**

### **Guidelines based on once per week games:**

- Primary — Year 5-6/9-11 years old — 3 overs per day, 2 overs per spell
- Intermediate — Year 7-8/11-13 years old — 5 overs per day, 4 overs per spell

### **Guidelines based on practice sessions:**

- Primary — Year 5-6/9-11 years old — 1 session per week, 4 overs per session
- Intermediate — Year 7-8/11-13 years old — 1/2 sessions per week, 5 overs per session

### **Guidelines based on tournaments (3 days or longer in length):**

Cricket Wellington would like to stress the importance that the below guidelines need to be progressively introduced to a bowler's workload and not included rapidly prior to a tournament. Coaches should introduce progressive bowling schedules that will allow players to increase their workloads in a controlled manner leading into a tournament.

- Primary — Year 5-6/9-11 years old — 4 overs per day, 2 overs per spell, 20 overs max - for tournaments 3 days or longer (tournament guidelines higher than once per week guidelines due to multiple games played in one day — reserve players will need to be brought to tournaments due to bowling guidelines)
- Intermediate — Year 7-8/11-13 years old — 8 overs per day, 4 overs per spell, 30 overs max - for tournaments 3 days or longer (tournament guidelines higher than once per week guidelines due to multiple games played in one day)

*The above outlines the alignment with bowling workloads and player safety but it is also important to identify another key reason for the pace bowling guidelines. With these guidelines in place it will help to align tournaments being played with one of Age and Stage's key principles – maximum involvement. The maximum overs allowed to be bowled per non-spin bowler during a tournament of 3 days or longer in length will result in a wider spread of players*

*within a team needing to bowl throughout the week.*

*Reliance on two or three key bowlers to bowl the majority of overs during the tournament can no longer be carried out. This will help to improve the overall experience of all players within the team during the tournaments and provide more players than before with the opportunity to learn and perform during a representative tournament.*

*For more information please refer to page 51 of the NZC Game On resource which can be found at the following link [https://www.nzc.nz/media/15854/game-on-resource\\_v12\\_sept\\_2019.pdf](https://www.nzc.nz/media/15854/game-on-resource_v12_sept_2019.pdf)*

### **Player Dispensation**

Dispensation needs to be granted by Cricket Wellington for any players to play in a year group other than what they are currently in at school.

Applications for dispensations must be made in writing (can be submitted via email) by the respective Club Manager to the Cricket Wellington Competitions Manager and include:

- The player's name and date of birth.
- The grade and team the player is currently in.
- The grade and team the player would like to play.
- Confirmation that the parents understand the implications of a player playing a grade up or down, including physical and emotional wellbeing.
- Special circumstances which lead to exemption being sought.

Dispensations will be assessed on a case-by-case basis and are at the sole discretion of Cricket Wellington.
